The Committee on Aquaculture (CAQ)

LaMed-2 Meeting on the Interaction between aquaculture and capture fisheries (IACF) in Mediterranean coastal lagoons

Cagliari, 28-30 June 2011

Draft annotated Agenda and Timetable

Tuesday 28th June

Morning session (9.00 – 13.00)

1. Opening and arrangement of the meeting

- Welcome address and opening of the meeting by the Authority (*by local authorities*)
- Presentation of the Agenda and of the project “Interaction between aquaculture and capture fisheries (IACF) in Mediterranean coastal lagoons” of GFCM/CAQ (*by Fabio Massa*)

The technical aspects related to the organization and functioning of the meeting will be presented. The Agenda of the meeting will be introduced and discussed. The rapporteurs of the meeting will be designated. Information will be also given on the project.

2. Responsible fisheries and coastal lagoon management in the Mediterranean Sea

The main issues related to the management of Mediterranean coastal lagoons in the framework of the Code of Conduct for Responsible Fisheries (CCRF) will be presented and discussed (*by Stefano Cataudella*).

Coffee break (10.30 – 11.00)

3. Country reports on management of coastal lagoons

Country reports on the coastal lagoons within the different Mediterranean coastal areas will be presented by participants; particular reference will be made to the aspects related to capture fisheries and aquaculture management in these areas.

Technical presentations will be made on the coastal lagoons of: Albania (M.Cobani), Algeria (A.Bounouni), France (H.Farrugio); Egypt (S.H.Abdel-Rahman), Greece (S. Reizopoulou) , Italy (E.Ciccotti), Montenegro (A.Joksimovic), Morocco (H.Nhhala), Spain (J.C.Macia), Tunisia (M. Hadj Ali Salem), Turkey (H.Deniz).

Afternoon session (14.30 – 17.30)

3. Country reports on management of coastal lagoons (*continuation*)

Wednesday 29th June

Morning session (9.00 – 13.00)

4. Mediterranean coastal lagoons: case studies, position papers, presentations and discussion

Position papers, case studies and presentations will be given by the participants on specific issues related to coastal lagoon management:

- Multidisciplinary approach to the sustainable management of the Venice Lagoon systems (*by Galvan*)
- Ecological and economic improvement in coastal wetland areas (*by Daniel Cebrian*)
- Sustainable aquaculture and coastal wetland conservation in the GFCM area: the case of Doñana (SW Spain) (*by J. Miguel Mediadea*)
- Economic and environmental accounts (issues and highlights) (*by Maria Cozzolino*)

Coffee break (10.30-11.00)

- Exploitation and management of European eel in the GFCM area (*by Henri Farrugio*)
- Management framework of eel in Europe: current structure, status of advice and role of the ICES/EIFAAC WG on Eel (*by Eleonora Ciccotti*)
- Indicators for the sustainable management of coastal lagoons areas (principles, criteria, indicators) (*by Pablo Avila*)
- Overview of main challenges, key drivers and future perspectives for responsible (co)management of coastal lagoons in Sardinia (*by Roberto Doneddu*)

Afternoon session (14.30 – 17.30)

5. Discussion and preparation of a synthesis on the main aspects related to the Interaction between Aquaculture and Capture Fisheries (IACF)

6. Conclusion and Recommendations

Specific suggestions, identification/updating of priority issues will be discussed among participants. Adoption of the conclusions.

Thursday 30th June

Technical visit to the Compendio ittico of Cabras (Oristano) and/or to the Compendio ittico of Tortoli (Ogliastra)

Closure of the meeting
