Main objectives of the meeting

- *National Coordinator must complete, validate and revise the production Statistics data*
- *Review by Compliance Committee on the compliance of Members to Recommendation Rec. GFCM/33/2009/04*
- *Presentation of an amended version of Recommendation Rec. GFCM/33/2009/04 including parameters related to capture-based products, CWP Statistical Areas, production Centres and marketing data*
- *Integration into SIPAM of components connected to all CAQ working groups*
- *Cooperation FAO-FIPS/FAP-FIRA*
- *Increased integration of several activities of working groups within the framework of CAQ.*
- *Cooperation between national institutions in order to ensure contribution to the CAQ activities and CAQ subsidiary bodies.*
- *The short- and medium-term workplan of the SIPAM network within CAQ-GFCM will be discussed on the basis of the current situation, the conclusions and proposals of the CAQ working groups, as well as on the CAQ strategies for the future of aquaculture in the Mediterranean.*

Languages

English will be the main language for discussions.
The meeting will be open to stakeholders.
