Transversal workshop on fishing capacity in the GFCM Area

FAO HQs, Rome (Italy), 27-28 September 2010

Provisional Agenda and Timetable

Monday 27th September

9:30 – 12:30

- 1. Opening and arrangement of the workshop**
- 2. Nomination of the chairperson and rapporteur(s)**
- 3. Review of decisions taken during the 34th Session of the GFCM on the management of fishing capacity**

A thorough analysis of the technical contents of GFCM Recommendation GFCM34/1/2010 on the management of fishing capacity will be conducted. The specific requests made by the Commission to move forward on this subject will also be addressed.

14:00 – 17:30

- 4. Actions for the monitoring and management of fishing capacity**
The considerations and specific actions for the monitoring and management of fishing capacity suggested during the previous workshop held in February 2010 will be revisited and discussed.
- 5. Updates on the development, current status and future trends of fishing capacity in the GFCM Area**
Participants will be invited to share information on the current situation, as well as on national development and management plans for fishing capacity, and how these relate to the decisions taken so far by GFCM.

Tuesday 28th September

9:00 – 12:30

6. Elements for the development of a draft Regional Plan of Action for the Management of Fishing Capacity

Elements for the formulation of a Regional Plan of Action for the Management of Fishing Capacity will be identified and listed, taking into account the specific actions, activities, and timeframes reviewed under agenda item 4.

7. Conclusions of the workshop

16:00 – 17:30

8. Adoption of the report
