

# EU & Mediterranean efforts on IUU

---

**Eszter Hidas**

Policy Officer, TSP EU

---

# WWF's IUU work in Europe

---

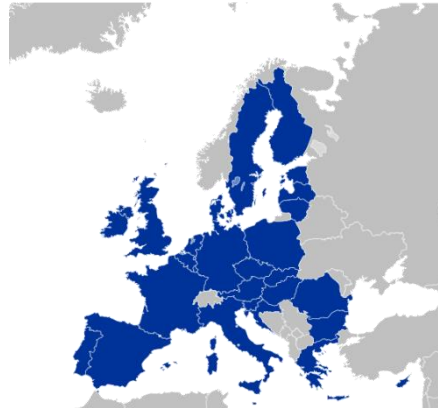

- Support the effective implementation of key EU IUU-related legislation, particularly the EU IUU Regulation
  - Work with the EU seafood industry to improve seafood traceability practices
  - Support the ratification of FAO's Port State Measures Agreement
  - Support the establishment of a Global Record of Fishing Vessels
-

# WWF's IUU work in Europe

Third countries

The EU

1. Policy advocacy to ensure the effective blocking of entry of IUU products into the EU (EU IUU Regulation)

2. Promoting effective EU seafood traceability practices

3. Promoting EU consumer support for legal & sustainable seafood

# WWF's IUU work in the

---

## Mediterranean

- Effective implementation of Control Regulation, EU IUU Regulation, Mediterranean Regulation
  - Co-management projects of coastal fisheries
  - Supporting the work of RFMOs
    - Management of Atlantic Bluefin tuna (ICCAT)
    - Monitoring of driftnets (GFCM, other fora)
    - Monitoring trawling and other illegal activities
-

# Key recommendations for

---

## combating IUU in the Mediterranean

- Effective implementation of Control Regulation, EU IUU Regulation, Mediterranean Regulation (EU MS only)
  - Increase EU foreign assistance to improve fisheries governance & MCS in southern & eastern Mediterranean
  - Support ratification of FAO's Port State Measures Agreement by all GFCM contracting parties
  - Support the establishment of Global Record of Fishing Vessels
  - Establish local, co-managed coastal fisheries
-

Thank you!
