PREAMBLE

The Contracting Parties

Taking account of the relevant provisions of the United Nations Convention on the Law of the Sea which entered into force on 16 November, 1994 (hereafter referred to as the United Nations Convention) and which requires all members of the international community to cooperate in the conservation and management of the living marine resources,

Noting also the objectives and purposes stated in Chapter 17 of Agenda 21 adopted by the United Nations Conference on Environment and Development, 1992 and the Code of Conduct for Responsible Fisheries adopted by the FAO Conference in 1995,

Noting also that other international instruments have been negotiated concerning the conservation and management of certain fish stocks,

Having a mutual interest in the development and proper utilization of the living marine resources in the Mediterranean and the Black Sea and connecting waters (hereafter referred to as the Region) and desiring to further the attainment of their objectives through international cooperation which would be furthered by the establishment of a General Fisheries Commission for the Mediterranean,

Recognizing the importance of fisheries conservation and management in the Region and of promoting cooperation to that effect,

Agree as follows:

ARTICLE I

The Commission

1. The Contracting Parties hereby establish within the framework of the Food and Agriculture Organization of the United Nations (hereinafter referred to as "the Organization") a Commission to be known as the General Fisheries Commission for the Mediterranean (hereinafter referred to as "the Commission"), for the purpose of exercising the functions and discharging the responsibilities set forth in Article III below.

2. The Members of the Commission shall be such Members and Associate Members of the Organization and such non-member States as are members of the United Nations, any of its Specialized Agencies or the International Atomic Energy Agency, that are:

- (i) coastal States or Associate Members situated wholly or partly within the Region;
- (ii) States or Associate Members whose vessels engage in fishing in the Region for stocks covered by this Agreement; or
- (iii) regional economic integration organizations of which any State referred to in subparagraphs (i), or (ii) above is a member and to which that State has transferred competence over matters within the purview of this Agreement;

and which accept this Agreement in accordance with the provisions of Article XIII below, it being understood that these provisions shall not affect the membership status in the Commission of such States that are not members of the United Nations, any of its Specialized Agencies or the International Atomic Energy Agency as may have become parties to this Agreement prior to 22 May 1963. As regards Associate Members, this Agreement shall, in accordance with the provisions of Article XIV.5 of the Constitution and Rule XXI.3 of the General Rules of the Organization, be submitted by the Organization to the authority having responsibility for the international relations of such Associate Members.

ARTICLE II

Organization

1. Each Member shall be represented at sessions of the Commission by one delegate, who may be accompanied by an alternate and by experts and advisers. Participation in meetings of the Commission by alternates, experts, and advisers shall not entail the right to vote, except in the case of an alternate who is acting in the place of a delegate during his absence.

2. Subject to paragraph 3, each Member shall have one vote. Decisions of the Commission shall be taken by a majority of the votes cast, except as otherwise provided by this Agreement. A majority of the total membership of the Commission shall constitute a quorum.

3. A Regional Economic Integration Organization that is a Member of the Commission shall be entitled to exercise in any meeting of the Commission or of any subsidiary body of the Commission a number of votes equal to the number of its Member States that are entitled to vote in such meeting.

4. A Regional Economic Integration Organization that is a Member of the Commission shall exercise its membership rights on an alternative basis with its member States that are Members of the Commission in the areas of their respective competence. Whenever a Regional Economic Integration Organization that is a Member of the Commission exercises its right to vote, its member States shall not exercise theirs, and conversely.

5. Any Member of the Commission may request a Regional Economic Integration Organization that is a Member of the Commission or its member States that are Members of the Commission to provide information as to which, as between the Member Organization and its member States, has competence in respect of any specific question. The Regional Economic Integration Organization or the member States concerned shall provide this information on such request.

6. Before any meeting of the Commission or a subsidiary body of the Commission, a Regional Economic Integration Organization that is a Member of the Commission, or its member States that are Members of the Commission shall indicate which, as between the Regional Economic Integration Organization and its Member States, has competence in respect to any specific question to be considered in the meeting and which, as between the Regional Economic Integration Organization and its member States, shall exercise the right to vote in respect of each particular agenda item. Nothing in this paragraph shall prevent a Regional Economic Integration Organization that is a Member of the Commission or its member States that are Members of the Commission from making a single declaration for the purposes of this paragraph, which declaration shall remain in force for questions and agenda items to be considered at all subsequent meetings subject to such exceptions or modifications as may be indicated before any individual meeting.

7. In cases where an agenda item covers both matters in respect of which competence has been transferred to the Regional Economic Integration Organization and matters which lie within the competence of its member States, both the Regional Economic Integration Organization and its member States may participate in the discussions. In such cases the meeting, in arriving at its decisions, shall take into account only the intervention of the Member which has the right to vote.

8. For the purpose of determining a quorum of any meeting of the Commission, the delegation of a Regional Economic Integration Organization that is a Member of the Commission shall be counted to the extent that it is entitled to vote in the meeting in respect of which the quorum is sought.

9. The Commission shall elect a Chairman and two Vice-Chairmen.

10. The Chairman of the Commission shall normally convene a regular session of the Commission every year unless otherwise directed by a majority of the Members. The site and date of all sessions shall be determined by the Commission in consultation with the Director-General of the Organization.

11. The seat of the Commission shall be at the headquarters of the Organization in Rome, or such other location as may be determined by the Commission.

13. The Commission may, by a two-thirds majority of its membership, adopt and amend its own Financial Regulations, provided that such Regulations shall be consistent with the principles embodied in

the Financial Regulations of the Organization. Such Regulations shall be reported to the Finance Committee of the Organization which shall have the power to disallow such Financial Regulations or amendment if it finds that they are inconsistent with the principles embodied in the Financial Regulations of the Organization.

Closing date for applications

Applications are accepted by FAO (Fisheries and Aquaculture Department) during a period of six weeks from the date of announcement of the vacancy notice.

Screening of applications

The applications received are examined by a Selection Committee comprising:

- the Chair of the GFCM Compliance Committee;
- two representatives of the Director-General of FAO;

2. The Selection Committee meets at FAO Headquarters within four weeks of closure of the vacancy announcement. With the assistance of the FAO Secretariat, the Committee is charged with eliminating those candidates that do not explicitly meet the required qualifications for the vacancy and with identifying a maximum of 20 eligible candidates.

3. The list of eligible candidates is communicated to the Members of the GFCM for evaluation and ranking. For information, the Members also receive a list of the other applicants.

Ranking of candidates

4. Five candidates are ranked by order of preference by the Members, on a point score of five to one, applying the criteria set out in the section of this document headed “Required qualifications” (the best candidate receiving 5 points).

5. The Members then send the Selection Committee their list of preferences within four weeks of receipt of the applications. The Selection Committee calculates these preferences and sends the Members a short list of the 5 candidates scoring the most points.

Short list and interview process

These interviews are presided by the GFCM Chair and covered by simultaneous interpretation in the languages of the Organization.

Voting

8. After the interviews, ballots are held as follows until one candidate attains the required majority:

- (a) A first ballot for all five candidates. The two candidates receiving the least votes are eliminated from the selection process.
- (b) A second ballot for the remaining three candidates. The candidate receiving the least votes is eliminated.
- (c) A third ballot between the remaining two candidates. The candidate receiving the most votes is selected.

9. If, during the course of a ballot, two candidates receive the same number of votes, a separate round of voting is held to eliminate one of those candidates.

Regulation VII - Amendment

These Regulations may be amended by the Commission, by a two-thirds majority of the Members of the Commission, in accordance with Article II, paragraph 13 of the Agreement.

SCHEME FOR THE CALCULATION OF CONTRIBUTIONS

The modalities for determining the scale of contribution are calculated in accordance with the following formula.

Factors for calculation which should be applicable to the GFCM autonomous budget once the amended Agreement entered into force:

membership: a fixed proportion of the budget; equally shared amongst members

wealth component: the wealth of the Member; and,

catch component: the total capture fishery and (marine) aquaculture production of the Member.

Weight to be given to each factor (as percentage of total autonomous budget):

Membership: 10 percent

Wealth component: 35 percent

Catch component: 55 percent

Measurement of the factors:

Membership: all Members

Wealth component: according to per caput GDP (measured in US \$ as published by the World Bank); members falling into four categories: below US\$ 1 000; between US\$ 1 000 and US\$ 9 999; between US\$ 10 000 and US\$ 29 999 and US\$ 30 000 and above. The first category is exempt from the wealth component. The second pays one share; the third pays 10 shares, and the fourth category pays 20 shares. Exceptions are made for countries with a total GDP below US\$ 5 thousand million (1997) to which a GDP category one step below is applied. Some countries are brought down to the first category and, as a result, are exempt from the wealth component (as long as their annual GDP remains below US\$ 5 thousand million).

Catch component: The catch/production figures to be used are those published by FAO in STATLANT 37A DATABASE. A three-year average is calculated using the period ending two years prior to that for which the budget will apply. Due to different values of small pelagic and other species, the “GFCM catch” for the purpose of determining the scale of contribution is calculated by applying a factor of 4 to all fish produced by Members in the Mediterranean and in the Black Sea and its adjacent waters, except for small pelagics.
