

Supplementary material on the methodology Part VII

Second questionnaire to identify European eel management measures established by partner countries at the national or regional level or as part of their eel management plans

| Work Package 1: | Management and protection measures for |
|------------------------------|--|
| Country | |
| Contact person name | |
| Contact person email address | |
| Any comments | |

| Country | Region | Indicate the habitats that can be found in the country/region (Freshwater/Transitional/Coastal/Marine/All of the above) | Are any of the previous habitats transboundary (shared between two or more countries)? | Indicate the presence of specific eel habitats (Lagoon/Lake/Stream) | Are any of the eel habitats transboundary (shared between two or more countries)? |
|---------|--------|---|--|---|---|
| ES | | Coastal | Yes/No | Lake | Yes/No |

| Measure code | Country | Region | Are there any national laws for eel protection? (law/management plans except EMP) | If yes, please provide its title | Are there any regional laws for eel protection? (law/management plans except EMP) | If yes, please provide its title | Are there any eel fisheries prohibitions? | Eel fisheries prohibitions per life stage? (Glass eel/ Yellow eel/ Silver eel/ All of the above) | Specific habitat eel fisheries prohibitions (Freshwater/ Transitional/ Coastal/ Marine waters) | Fisheries prohibitions due to specific network protection, i.e. NATURA 2000, Ramsar etc. | If "Other", please specify | Are there any actions of assisted migration (Upstream/ Downstream/ Both)? | Are there any eel size restrictions? (Yes/ No) | If yes, what are the restrictions? | Are there any time restrictions? (Eel fishery closing) (Yes/ No) | If yes, what are the restrictions? |
|---------------------|--------------|------------------|---|----------------------------------|---|----------------------------------|---|--|--|--|----------------------------|---|--|------------------------------------|--|------------------------------------|
| <i>Example: SP1</i> | <i>Spain</i> | <i>Andalusia</i> | <i>Yes/ No</i> | | <i>Yes/ No</i> | | <i>Yes/ No</i> | <i>All of the above</i> | <i>No</i> | <i>No</i> | | <i>Both</i> | <i>No</i> | <i>< 12cm</i> | | <i>The whole year</i> |

| Country | Region | Is there eel fishing activity? | What type of fisheries exist? | Habitat of fisheries (Freshwater/ Transitional/ Coastal/ Marine waters /All of the above) | Which eel stages are targeted? (Glass eel/ Yellow eel/ Yellow eel and silver eel /Silver eel/All of the above) | Is there national or international eel trade? | Eel life stage traded | Are there any CITES restrictions? | Are eel fisheries closed? | If yes, is closure complete or partial? | To best of your knowledge, are there unreported small-scale fisheries? | If yes, do they take place inside protected areas? |
|-----------|------------------|--------------------------------|-------------------------------|---|--|---|-----------------------|-----------------------------------|---------------------------|---|--|--|
| <i>ES</i> | <i>Andalusia</i> | <i>Yes</i> | <i>Research</i> | <i>Transitional</i> | <i>All of the above</i> | <i>Both</i> | <i>AL</i> | <i>Yes</i> | <i>Yes</i> | <i>Complete /Partial</i> | | |

| Country | Is there an EMP? | Is it a national EMP or regional EMP? | Year of establishment | 1 EMP for all countries or different per region? | Total number of EMUs in country | Number of regional EMUs | EMU region | Eel fisheries prohibitions | Eel fisheries prohibitions per life stage (Glass eel/Yellow eel/Silver eel/All of the above) | Specific habitat fisheries prohibitions (Freshwater/ Transitional/ Coastal/Marine /All of the above) | Fisheries prohibitions due to specific network protection | If "Other", please specify | Does EMP include actions of assisted migration? |
|-----------|------------------|---------------------------------------|-----------------------|--|---------------------------------|-------------------------|------------------|----------------------------|--|--|---|----------------------------|---|
| <i>ES</i> | <i>Yes</i> | <i>Both</i> | <i>2009</i> | <i>Both</i> | <i>5</i> | <i>3</i> | <i>Andalusia</i> | <i>Yes</i> | <i>All of the above</i> | <i>All of the above</i> | <i>Ramsar</i> | | <i>Both</i> |

| Measure code | Country | Region | Are eels released/ restocked (Yes/No)? | Actions due to EMP? (Yes/No) | If "No", please provide information | Life stage of eels released | Indicate in which habitat type they are released (Freshwater/Transitional/Coastal/ Marine/All of the above) | Frequency of actions | Period of action (Summer/Winter etc.) |
|---------------------|--------------|------------------|--|------------------------------|-------------------------------------|-----------------------------|---|-----------------------------|---------------------------------------|
| <i>Example: SP1</i> | <i>Spain</i> | <i>Andalusia</i> | <i>Yes</i> | <i>Yes</i> | | <i>Yellow eel</i> | <i>Coastal</i> | <i>Every year</i> | <i>Spring and summer</i> |
| | | | | <i>Yes</i> | | <i>Glass eel</i> | <i>Transitional</i> | <i>Every two years etc.</i> | <i>Spring</i> |

| Measure code | Country | Region | Fisheries prohibitions due to: 1) Specific network i.e. NATURA 2000, Ramsar etc. 2) Species protection 3) Other | If (1), which network? | If (2), which one? | If (3), please provide more information | Fisheries prohibitions in specific habitats (Freshwater/ Transitional/ Coastal/Marine/ All of the above) | Prohibition of specific fishing gear |
|--------------|-----------|--------|--|------------------------|-------------------------------|---|--|---|
| <i>SP1</i> | <i>SP</i> | | | <i>NATURA 2000</i> | <i>i.e. Aphanius ibericus</i> | <i>Due to the presence of a rare and protected species</i> | <i>Freshwater</i> | <i>No Fyke nets/Traps/Nets /Electrofishing etc.</i> |
| | | | | | | <i>Due to the existence of a national park</i> | | |
| | | | | | | <i>Prohibitions in the use of specific fishing gear, i.e. fyke nets</i> | | |

Notes:

CITES = Convention on International Trade in Endangered Species of Wild Fauna and Flora

EMP = eel management plan

EMU = eel management unit
