

## Call For Expression of Interest – REU Internship Programme

**Role:** Communication intern

### Description:

The [Internship Programme of Human Resources](#) at the Food and Agriculture Organization (FAO) of the United Nations aims to attract talented young women and men who are strongly motivated to share their new perspectives, innovative ideas and latest research experience in FAO's domains.

Through this internship programme, the [General Fisheries Commission for the Mediterranean](#) (GFCM) of the Food and Agriculture Organization of the United Nations (FAO) is looking for a communications intern. The position should be filled in as soon as possible. The duration of the internship will be at least six months up to a maximum of 11 months. A monthly remuneration of approximately 600 euros is foreseen. The intern will work in collaboration with the GFCM staff to accomplish the following tasks:

- Assist in the preparation of communication deliverables;
- Provide support in the preparation and upload of relevant materials, links and contents on the GFCM website;
- Collaborate in the management of GFCM social media and in the preparation of a newsletter on GFCM activities; in this connection, provide support in the identification of relevant audiences;
- Assist in the preparation and implementation of communication campaigns in relation to GFCM activities;
- Provide support in the compilation and analysis of communications key performance indicators;
- Contribute to update and maintenance of relevant GFCM databases, such as contact databases, photo and video gallery.
- The ideal candidate has good knowledge of communication with a perfect command of English.

**Location:** Burgas, Bulgaria

**To apply:** Submit your application to the [FAO internship programme](#). Please inform us of your submitted application by contacting [Ms Emma HUBLER](#).
